Stage 7-2

The image shows a digital nautical chart application interface. At the top, there's a search icon and a compass. The chart itself displays the Hudson River area, including Morris Canal Basin, Hudson River, and Governors Island. A red line indicates a route, and a green circle with the text 'GREEN 85' is overlaid on the chart. The interface includes a search icon, a compass, and a 'Route Start Menu' bar at the bottom.
